

**DURHAM SCHOOL COMMITTEE, DURHAM BUDGET ADVISORY, and  
DURHAM SELECTMEN – JOINT MEETING  
SPECIAL MEETING AGENDA**

**Thursday, January 10, 2008  
Durham Elementary School – Library  
6:00 P.M.**

**MISSION**

Members of the Durham Community are committed to creating a safe, respectful climate in which broad-based educational and cultural opportunities provide rich, diverse experiences for all learners. Within this environment, learners will become knowledgeable about themselves and others; develop strong academic, creative, technological, recreational, and practical life skills, preparing them for many options as life-long learners, effective problem solvers and capable communicators. These experiences will provide a solid basis for future responsibilities as family members, workers and citizens. As the community strives to improve the educational environment, necessary resources will be provided to secure a safe, spacious, accessible facility for a wide variety of learning activities. To this end, the school will encourage practices, which are respectful, open, fair and relevant.
